# ETK LOGISTICS COMPANY PROFILE

**We are committed to providing safe, dependable transportation service to our customers .**

## ETK Logistics

On January 2024 Croco Motors LLC trading as ETK Logistics, a transport and logistics service provider emerged in the United States Of America to offer a wide range of services and solutions. We have built a reputation of reliability in transportation of goods and parcels locally and nationally due to our professional approach, competitive pricing and large network.

With our existing infrastructures, owned assets, cutting edge Supply Chain Suite (RF & RFID); we are equipped as one of the largest one-stop logistics service provider with strong ability to serve various industry verticals.

Our Warehouses are listed with London Metal Exchange (LME) as LME approved Warehouse enabling us to serve the metal vertical seamlessly with customized logistic solutions.

Supported by a team of logistics subject matter experts, we strive in providing best-in-class logistics services for our customers, to support their business and assist them in gaining competitive advantages by streamlining their logistics requirements.

## VALUES

We strive to perform with unyielding commitment to Integrity, Honesty, Transparency, Creativity and Respect for All.

## VISION

To be recognized as THE expert in logistic services with top-notch Customer Service.

## MISSION

To design, build and deliver flexible, integrated, best-in-class and cost effective logistics solutions.

## CUTTING EDGE SUPPLY CHAIN SUITE

The Supply Chain Suite we use is tightly integrated, highly scalable for our customers with easy-to-use supply chain modules encompassing RF/RFID Based Warehousing, Distribution, Container Freight Station, Open Yard, Trading Partner, Customer Relationship Management, Transportation and Freight Management.

With the Suite we are able to integrate all the core logistics, fulfillment center and warehouse management functions to provide real-time visibility of our operations to help both our Team and our Customers to optimize their supply chains and warehouse processes to consistently drive flawless order fulfillment and delivery for total customer satisfaction.

# OUR SOLUTIONS
